

## Important Notice

Dirksen school will be making changes effective Monday, January 23, 2012 in order to create safer conditions during morning drop off and afternoon dismissal. Our parking lot will be closed with barricades at 8:15 each morning. No cars will be allowed into or out of the lot until 8:40 or until all busses have left. In the afternoon our lot will be closed at 2:45pm. No cars will be allowed to leave the lot until 3:05 or until all busses have left. We have found that our lot has become increasingly dangerous with cars coming in and out during these crucial times. The safety of our students is of the utmost importance to us. Thank you for your understanding and willingness to consider the safety of all Dirksen students. Please feel free to contact Dr. Piech at 847-357-5600 should you have any questions about this new procedure.
